Welcome to Nova Scotia and to the **8th International Forum on Pediatric Pain!**

Enjoy your stay at White Point Beach Resort as you attend meetings focused on cutting edge research and clinical practice in the area of pediatric pain. The forum features lectures by renowned research faculty as well as your own peer-reviewed posters.

Be sure to take a walk on the beach, enjoy a game of golf, or swim in the heated pool while you discuss important issues of pediatric pain with your colleagues, who are fellow researchers and clinicians from around the world.

A special thank you to our sponsors and supporters:
