

11th International Forum on Pediatric Pain

October 12~15, 2017

White Point Beach, Nova Scotia, Canada

What is the International Forum on Pediatric Pain (IFPP)?

IFPP 2017 is a multidisciplinary, stimulating, and educational workshop with researchers from around the world. IFPP brings together scientists and clinicians for plenary lectures, interactive workshops, and peer-reviewed poster sessions. Held at White Point Beach Resort, IFPP offers a quaint, relaxed atmosphere which allows for networking between attendees and sharing of current research in all areas of pediatric pain. Find out more at <http://pediatric-pain.ca/ifpp>.

Getting Patients & Families Involved

This year, at IFPP 2017, we are choosing to focus on engagement. This means engaging with patients and families at the heart of research and care. As a result, we are offering 5 scholarships* to youth with chronic pain and/or parents of children with chronic pain to attend the conference this fall. Scholarships will cover registration fees, as well as the cost of accommodation and meals at White Point Beach Resort. Patients and families will have a chance to engage with health care professionals, learn about the most up-to-date-pain research and continue to be an active partner in care.

Interested? Apply Now!

To apply for this scholarship click [here](#) and complete a brief application form. Application deadline is **September 4, 2017** with decisions being made by September 8, 2017. Scholarships will be limited to youth over the age of 14 with chronic pain and/or parents of children with chronic pain. Priority will be given to patients with previous pain related research involvement.

Please contact us at 2017ifppconference@iwk.nshealth.ca with any questions.
